

"It's not how much we give but how much love we put into giving" – Mother Theresa

On behalf of the staff, volunteers and most importantly the animals at the Charlotte Edkins Animal Adoption Center, we would like to THANK YOU for your donation, support, and time & talents that you shared with us. To say that we were touched by the generosity of so many who partnered with us, would be an understatement. Because of your generosity, the Humane Society of NWMT will be better able to serve more of the Flathead's furry friends in need.

Thank You Again!

The napkin rings were created by Girl Scout Troop #3388 of West Valley School. Whitefish and Columbia Falls High School Art Departments created the bowls used for the centerpieces.
